PKF O'Connor Davies Leadership Builds Bicycles for Boys & Girls Club of Clifton

12/21/2017

New York, NY (December 21, 2017) – PKF O'Connor Davies, LLP, the nation's 28th largest accounting and advisory firm, announced today a recent event in which Firm Partners came together to build 20 bicycles for children from the Boys & Girls Club of Clifton. Once the bicycles were built, the Partners gave them to children from Clifton, New Jersey, and surrounding communities as holiday gifts.

"I still remember how much my first bike meant to me," said Kevin J. Keane, Managing Partner. "It gave me something to take care of and a new way to explore the world around me. Seeing the look on the children's faces when they saw their new bikes was the highlight of my holiday season. I'm so proud of our team for working to bring that same feeling to the children in our communities who need it most."

The Boys & Girls Club of Clifton is dedicated to providing programs and services in a safe, supervised environment, to inspire and enable all young people to realize their full potential as caring, productive and responsible citizens.

The Firm included photos from the event in its annual holiday greeting (<https://www.pkfod.com/Insights/Publications/Happy-Holidays-2017>) for clients and friends.

PKF O'Connor Davies now has nine offices in four states and continues to expand with mergers and acquisitions in the Northeast and Washington, D.C. region.
